### *Section 16: Relations with Parents*

*In Section 16, respondents are asked about various aspects of their relationship with their parents (or the parental figures in the household). In the unlikely event that a respondent lives alone, or in an institution, the section is skipped. Topics include rules, activities, educational aspirations, and perceived closeness of the relationship.*

Let's talk about your relationship with your parents.

In the next questions, *parents* means {NAME}.
