<p>Now, look through the remaining cards, and put them in the order in which they first happened in your relationship with {INITIALS}.</p> <p>Whatever happened first should be the first card, the thing that happened second should be the second card, and so on. Don't worry if 2 things happened at the same time. Just pick one to put first, and put the other one after it.</p> <p>When you have put all the cards in the proper order, enter the letters into the computer, just as the interviewer did earlier.</p> <p>[ordered list of remaining cards]</p>
